

Summary

Proposed Amendment to the Rules on Local-Option Ballot Question Committees

PURPOSE:

The purpose of these proposed amendments is to bring the Rules on Local-Option Ballot Question Committees into conformity with the legislation passed during the 94th General Assembly of the Arkansas Legislature.

DISCUSSION:

Act 455 of 2023 raised the contribution limit to Political Action Committees (“PAC”) on an annual basis from \$5,000 to \$10,000 a year. This amendment needs to be reflected in the Rules on Local-Option Ballot Question Committees.
