- (v) The name of the lobbyist's employer or client making the expenditure and, if applicable, the names of all other lobbyists sharing in the cost of the payment;
- (vi) A description of the item; and
- (vii) If the person receiving or being benefited by the item is a public employee, the governmental body which employs the person shall be identified.

Example: If five (5) lobbyists share equally in the cost of giving of an item worth one hundred dollars (\$100) to a public servant, the forty dollar (\$40.00) itemization threshold would be met and each lobbyist would report the giving of a twenty dollar (\$20.00) item to the public servant and also report the names of the other lobbyists sharing in the cost of the giving of the item.

(b) Lobbyist activity reports shall include a:

(1) Detailed statement of any money loaned or promised or line of credit established for a public servant or on behalf of the public servant over twenty-five dollars (\$25.00) per individual, except as noted in 21 CAR § 3-207(3); and

(2) Statement detailing the direct business association or partnership with any public servant whom the lobbyist may lobby.

(c)(1) Whenever the name of a public servant will appear in an activity report of a lobbyist, the lobbyist shall notify the public servant and provide him or her the information being reported.

(2) The lobbyist shall mail or deliver the notification to the public servant not later than seven (7) working days prior to the date for filing the activity report.

21 CAR § 3-205. Reporting of expenditures for amusement, charity, and sporting events.

(a) On the activity report, the lobbyist shall itemize each expenditure made for the benefit of a public servant for a ticket or tickets to an event or events, if this expenditure exceeds forty dollars (\$40.00) in the aggregate.

Example: If the lobbyist buys four (4) tickets to a football game costing twenty-two dollars (\$22.00) each and gives them all to a legislator, the lobbyist must itemize this expenditure on his or her lobbyist activity report. This lobbyist would report that he or she made an expenditure of eighty-eight dollars (\$88.00) on four (4) tickets to a football game, the date of the expenditure, and the name of the legislator to whom he or she gave the tickets. Even if the lobbyist did not originally intend to give the tickets to the legislator, the fact that he or she eventually did so makes this an expenditure on behalf of a public servant under 21 CAR § 3-204 of this part.

(b)(1) "Event or events", as used in this section, includes, but is not limited to:

(A) Sporting events such as football or basketball games and hunting or fishing trips;

(B) Entertainment or arts events such as concerts or plays; and

(C) Charity fundraising events such as banquets.

(2) "Event or events" does not include "special events" as defined in 21 CAR § 3-206.

(c)(1) The lobbyist shall itemize each expenditure made for the benefit of a public servant for hunting or fishing trips by reporting its fair market value.

(2) The fair market value of a hunting or fishing trip is equivalent to the cost of such a trip as available from a commercial provider.

(3) In pricing hunting and fishing trips, the lobbyist shall presume that the public servant hunted or fished whether or not he or she actually did so.

(4) The value of the expenditure should also include the fair market value of food, lodging, or travel if such was provided during the trip.

(d) When reporting the cost of tickets to a charity event, the value of the ticket to the event shall not include the tax deductible portion of the ticket.

21 CAR § 3-206. Reporting special events.

(a)(1) Generally, expenses related to lobbying activity are itemized as detailed in 21 CAR §§ 3-203 – 205 of this part.

(2) In the case of special events, as defined in subsection (b) of this section, where the expenses related to the event are incurred by the lobbyist, the lobbyist need not allocate the expenses by individual but may categorize them on a group basis as listed herein in subsection (c) of this section.

(b)(1) A special event is a planned activity where a specific governmental body or identifiable groups of public servants are invited.

(2) Special events may include:

(A) Parties;

(B) Dinners;

- (C) Athletic events;
- (D) Entertainment; and
- (E) Charity events.

(3) For a discussion of the meaning of the terms "specific governmental body" and "identifiable groups of public servants", see Advisory Opinion No. 99 EC-008.

(c)(1) In the case of a special event, expenses need not be allocated by individuals.

(2) The information reported for a special event shall include the:

- (A) Date of the event;
- (B) Name of the event;
- (C) Location of the event;
- (D) Name of the governmental body or group or groups of public servants

invited;

(E) Exact amount paid by the lobbyist towards the total expenditure; and

(F) Name of the lobbyist's employer or client making the expenditure and,

if applicable, the names of all other lobbyists sharing in the cost of the payment.

Example: If two (2) lobbyists invite the members of the Senate Insurance & Commerce Committee to a dinner, the dinner may be reported as a special event. If the lobbyists split the cost of the dinner evenly, each lobbyist would report their share of the dinner as well as the name of the other lobbyist sharing in the cost of the dinner.

(d)(1) Hospitality rooms may be reported as a special event provided the lobbyists invite specific governmental bodies or identifiable groups of public servants as provided for in this part.

(2) When reporting hospitality room expenses, the lobbyist shall itemize the:

- (A) Dates the hospitality room was open;
- (B) Name of the event hosted, if applicable;

(C) Exact amount paid by the lobbyist towards the total expenditure for the hospitality room; and

(D) Name of the lobbyist's employer or client making the expenditure and, if applicable, the names of all other lobbyists sharing in the cost of the room.

(e) Whether an event is a "special event" under the meaning of this section is a factual determination made by the Arkansas Ethics Commission.
