Summary of Proposed Amendments to 7 CAR § 7 et seq.
(The Rules on Ballot & Legislative Question Committees)

Purpose:

The purpose of these proposed amendments is to bring 7 CAR § 7 et seq. (The Rules Ballot & Legislative Question Committees) into conformity with the legislation passed in 2025 during the 95th General Assembly of the Arkansas Legislature.

Summary:

Act 592 (Section 14) amended Ark. Code § 7-9-402(2)(B) and clarified how “2% of annual revenues, operating expenses, or funds” is measured in the definition of a BQC, as follows: “qualifies as a ballot question committee if an amount equal to two percent (2%) or more of its annual revenues, operating expenses, or funds are for the most recently completed year is used to make a contribution or contributions to another ballot question committee...” (7 CAR § 7-101)

Act 592 (Section 15) amended Ark. Code § 7-9-402(10)(B) and clarified how “2% of annual revenues, operating expenses, or funds” is measured in the definition of an LQC, as follows: “qualifies as a legislative question committee if an amount equal to two percent (2%) or more of its annual revenues, operating expenses, or funds are for the most recently completed year is used to make a contribution or contributions to another legislative question committee...” (7 CAR § 7-101)

Act 592 (Section 16) amended Ark. Code § 7-9-409(a)(3)(B) and added a NEW provision that addressed when a final report is due if a ballot question fails to qualify for the ballot or is disqualified, as follows: “If a ballot question fails to qualify for the ballot or is disqualified, the final financial report required...shall be filed no later than thirty (30) days after the end of the month in which the ballot question fails to qualify for the ballot or is disqualified.” (7 CAR § 7-111)

Act 592 (Section 17) created Ark. Code § 7-9-416 and added a NEW provision for BQCs/LQCs that allowed the entities to reuse “campaign signs, campaign literature, and other printed campaign materials in future initiative campaigns” that have been properly reported in a previous campaign, and added a requirement that the campaign signs, campaign literature, and other printed campaign materials clearly contain the words “Paid for by” followed by the name of the committee, individual person, or elected official who paid for the item. (7 CAR § 7-421)

It is noted that the “Paid for by” language above mirrored the similar statute for candidates found in Ark. Code § 7-6-228.

Act 999 (Section 2) amended Ark. Code § 7-6-201 and added a NEW provision that the term “Prohibited sources’ means the same as defined in § 7-9-402.” That definition is found in Act 999 (Section 4) as follows (also see below): “Prohibited sources’ includes: (A) A prohibited political action committee as defined in § 7-6-201; (B) A political action committee that accepts one (1) or more contributions from a foreign national; (C) An organization that is funded by a

political action committee that accepts one (1) or more contributions from a foreign national; (D) Contributions from or expenditures by a foreign national; and (E) Contributions or expenditures that violate state or federal law[.]” (7 CAR § 7-101(20))

Act 999 (Section 4) amended Ark. Code § 7-9-402 and added six (6) NEW defined terms to the laws on BQC and LQCs, as follows:

“‘Directly or indirectly’ means acting either alone or jointly with, through, or on behalf of any other: (A) Ballot question committee; (B) Legislative question committee; (C) Political action committee; (D) Organization; (E) Person; or (F) Other entity;

‘Foreign national’ means: (A) An individual who is not a citizen or lawful permanent resident of the United States; (B) A government or subdivision of a foreign country; or (C) A foreign political party; (D) An entity, including without limitation a partnership, association, corporation, organization, or other combination of persons, that is organized under the laws of, or has its principal place of business in, a foreign country; or (E) A partnership, association, corporation, or organization which is wholly or majority owned by a foreign national unless: (i) A contribution or expenditure the entity makes derives entirely from funds generated by the entity’s operations; and (ii) All decisions concerning the contribution or expenditure are made by individuals who are United States citizens or permanent residents, except for setting overall budget amounts;

‘Independent expenditure’ means the same as defined in § 7-6-201;

‘Preliminary action’ includes: (A) Conducting a poll; (B) Drafting ballot question language (C) Drafting legislative question language; (D) Conducting a focus group; (E) Conducting telephone calls; or (F) Traveling in connection with a ballot question or legislative question activity;

‘Prohibited sources’ includes: (A) A prohibited political action committee as defined in § 7-6-201; (B) A political action committee that accepts one (1) or more contributions from a foreign national; (C) An organization that is funded by a political action committee that accepts one (1) or more contributions from a foreign national; (D) Contributions from or expenditures by a foreign national; and (E) Contributions or expenditures that violate state or federal law; and

‘Tax-exempt organization’ means an organization that qualifies as exempt from federal income tax under § 501(c) of the Internal Revenue Code of 1986, as it existed on January 1, 2025.” (7 CAR § 7-101(6), (10), (12), (18), (17), and (26), respectively)

It is noted that the definition of “independent expenditure” in § 7-6-201 refers to *candidates* but does not include expenditures to influence a ballot or legislative question.

Act 999 (Section 5) amended Ark. Code § 7-9-407(2) and created a NEW requirement that BQCs and LQCs file an affirmation to provide the following information on financial reports, as follows: “For a ballot question committee...or a legislative question committee...: (i) An affirmation that the ballot question committee or legislative question committee has not knowingly or willfully received, solicited, or accepted contributions or expenditures from a prohibited source; and (ii) An affirmation by the treasurer of the ballot question committee or legislative question committee that to the best of the treasurer’s knowledge the donor associated with each contribution is not a foreign national and has not knowingly or willfully received, solicited, or accepted, whether directly or indirectly, contributions or expenditures from one (1) or more prohibited sources in excess of ten

thousand dollars (\$10,000) in the aggregate within the four-year period immediately preceding the date of the contribution[.]” (7 CAR § 7-117)

Act 999 (Section 6) created Ark. Code § 7-9-416 and created a NEW requirement concerning “Prohibited sources of funding” for BQCs and LQCs, as follows: “Prohibited sources of funding. (a) Upon registering as a ballot question committee or legislative question committee, the treasurer of the committee shall file an accompanying certification that no preliminary activity was directly funded by prohibited sources, whether directly or indirectly. (b) After the ballot question committee or legislative question committee has been registered, the committee shall not knowingly or willfully receive, solicit, or accept contributions or expenditures from a prohibited source, whether directly or indirectly. (c) A person who makes an independent expenditure in support of or in opposition to a ballot question committee or legislative question committee in excess of ten thousand dollars (\$10,000) in the aggregate shall keep records of any contribution or expenditure and retain such records as prescribed under § 7-9-410 from the date of receipt of the contribution or expenditure. (7 CAR § 7-102(f))

It is noted that the definition of “independent expenditure” in § 7-6-201 refers to *candidates* but does not include expenditures to influence a ballot or legislative question.

Act 999 (Section 6) created Ark. Code § 7-9-417 and created a NEW requirement concerning “Donor certification of no affiliation with prohibited sources” concerning BQCs and LQCs, as follows: “Donor certification of no affiliation with prohibited sources. (a) Upon receipt of a contribution in excess of ten thousand dollars (\$10,000) to a ballot question committee or legislative question committee, the treasurer of the ballot question committee or legislative question committee shall obtain from the donor associated with a contribution in excess of ten thousand dollars (\$10,000) in the aggregate an affirmation that the donor: (1) Is not a foreign national’ and (2) Has not knowingly or willfully accepted donations in excess of ten thousand dollars (\$10,000) in the aggregate from one (1) or more prohibited sources within the four-year period immediately preceding the date the contribution is made. (b) An individual, committee, or entity making one (1) or more independent expenditures in excess of ten thousand dollars (\$10,000) supporting or opposing a ballot question or legislative question shall certify to the Attorney General that the individual, committee, or entity has not knowingly or willfully accepted donations in excess of ten thousand dollars (\$10,000) in the aggregate from one (1) or more prohibited sources within the four-year period immediately preceding the date the independent expenditure is made and that it will not do so through the remainder of the calendar year in which the ballot question or legislative question will appear on the ballot. (7 CAR § 7-117)

It is noted that the definition of “independent expenditure” in § 7-6-201 refers to *candidates* but does not include expenditures to influence a ballot or legislative question.

Act 999 (Section 6) created Ark. Code § 7-9-418 and created a NEW provision concerning “Prohibited influence by a foreign national” in connection with a ballot question or legislative question, as follows: “Prohibited influence by a foreign national. (a) A foreign national shall not direct, dictate, control, or directly or indirectly participate in the decision-making process of any person with regard to that person’s activities to influence a ballot question or legislative question, including without limitation decisions concerning the making of contributions or expenditures to

influence a ballot question or legislative question. (b) A foreign national shall not solicit, directly or indirectly, the making of a donation, contribution, or expenditure by another person to influence a ballot question or legislative question. (c) Nothing in this subchapter shall create or eliminate any existing donor disclosure rights or duties beyond those specifically stated in §§ 7-9-416 – 7-9-420.” (7 CAR § 7-118)

Act 999 (Section 6) created Ark. Code § 7-9-419 and created a NEW provision concerning the “Enforcement for violations of ban on foreign funding for ballot questions and legislative questions” as follows: “Enforcement for violations of ban on foreign funding for ballot questions and legislative questions. (a)(1) The Attorney General may bring a civil action to enforce §§ 7-9-416 – 7-9-420. (2) An individual, committee, or entity alleged to have violated any provision under §§ 7-9-416 – 7-9-420 shall be provided a full opportunity of notice, discovery, and an opportunity to be heard before being found liable for a violation of any provision under §§ 7-9-416 – 7-9-420. (b) If the Attorney General prevails in an action brought under §§ 7-9-419(a), the court shall award: (1) Injunctive relief sufficient to prevent the defendant from violating this subchapter or engaging in acts that aid or abet violations of any provision under §§ 7-9-416 – 7-9-420; and (2) Statutory damages up to twice the amount of the prohibited contribution or expenditure. (c) In addition to the penalties in this section and any other remedies provided by law, if the court finds the defendant knowingly or willfully violated any provision of §§ 7-9-416 – 7-9-420, the court may assess a penalty of up to three (3) times the statutory damages. (7 CAR § 7-119)

Act 999 (Section 6) created Ark. Code § 7-9-420 and created a NEW provision concerning the “Restrictions on collection and release of donor information” in connection with a ballot question or legislative question, as follows: “Restrictions on collection and release of donor information. (a)(1) A lawful donor to a tax-exempt organization possesses a right of privacy in the lawful donor’s donations. (2) An investigation of an alleged violation of any provision under §§ 7-9-416 – 7-9-420 or a lawful court order in an action brought under § 7-9-419(a) shall occur in a manner that shields the identity of lawful donors to the extent possible. (3) A governmental body shall not collect or require the submission of information on the identity of any donor to a tax-exempt organization other than those directly related to an alleged violation of §§ 7-9-416 – 7-9-420. (4) Any collection or required submission of information by any governmental body regarding the identity of any donor to a tax-exempt organization beyond that permitted by any provision under §§ 7-9-416 – 7-9-420 shall be deemed a violation of the Personal Information Protection Act, § 4-110-101 et seq. (b)(1) A governmental body shall not disclose to the public or another government official not directly involved in the investigation, information revealing the identity of any donor to a tax-exempt organization, unless the information is regarding the identity of a donor that engaged in conduct prohibited by any provision under §§ 7-9-416 – 7-9-420 after a final determination has been made that the donor violated any provision under §§ 7-9-416 – 7-9-420 or if the tax-exempt organization has triggered registration and reporting as a ballot question committee or a legislative question committee under this subchapter. (2) Knowing or willful violations of this subsection shall be punishable under the Personal Information Protection Act, § 4-110-101 et seq. (3) Any public disclosure of information revealing the identity of any donor to a tax-exempt organization by a governmental body incident to this section is a violation of the Personal Information Protection Act, § 4-110-101 et seq., unless the information is regarding the identity of a donor that engaged in conduct prohibited by any provision under §§ 7-9-416 – 7-9-

420 after a final determination has been made that the donor violated any provision under §§ 7-9-416 – 7-9-420. (7 CAR § 7-120)

(2) Examples of expenditures to which this subsection is applicable are expenditures for utilities and telephone bills.

(c) An expenditure by credit card or in other ways charged to an account must be included in the report for the period during which the charge was made, not in the report for the period during which the statement from the credit card company or charge account was received.
